Search

Bob Jones University does not necessarily endorse or guarantee the positions found on Career Central and is not responsible for safety, security, wages, working conditions or other aspects of employment.

To search for jobs posted by BJU graduates . . . use Advanced Search. Under "Industry" select BJU Alumnus.

For additional search options, use the Advanced Search feature. Then click "Saved" and save.

Apply

Application Status

If you wish to apply, please select the document(s) to include and click Submit.

Resume

Choose a Resume to submit for this position.

2-Resume\*

Cover Letter

Choose a Cover Letter to submit for this position.

ADD NEW

SUBMIT

Note on requested documents:  
Work references from prior employer/supervisor or professional colleagues. Number of hours you want to work initially. Required pay rate per hour.

5. Click the Submit button and your resume has been sent to the employer. Once sent, a record will be maintained in this pop-up box to remind you of the most recent activity.

2. Click on "Apply" in the box to the right of the job description. A pop up box (highlighted here in red) will appear.

3. From the drop-down box, choose the resume that you would like to submit for this position. There may be additional drop-down lists for other documents the employer is requesting. Only your resume is required; however, it is advisable to submit all of the documents requested by the employer.

4. If you would like to submit a cover letter, choose in the dropdown. A cover letter may not be required for job applications.

2. Click on "Apply" in the box to the right of the job description. A pop up box (highlighted here in red) will appear.
