

job postings

Under the "Job Postings" tab in the navigation bar select "BJU CareerCentral Jobs" for positions that have been posted to BJU. (NACElink is a job board for experienced job seekers.)

Bob Jones University does not necessarily endorse or guarantee the positions found on Career Central and is not responsible for safety, security, wages, working conditions or other aspects of employment.

To search for jobs posted by BJU graduates . . . use Advanced Search. Under "Industry" select BJU Alumnus.

For additional search options and to create saved searches, select your search criterion using the Advanced Search feature. Then click "Saved Searches", enter a title for the search in the top box, select how often results will be e-mailed to you and save.
